

TRAINING ADVISORY

Course: MCIM II (Operations Level)

Date: January 11 & 12 2003

Time: Saturday & Sunday 0900-1700

Location: Loudoun County Training Division

Registration: TD-TR required COB 1/3/03

Special Information: The Virginia Mass Casualty Incident Management (MCIM) Module I & II courses have been updated. Current EMT-B's learned MCIM I during EMT-B class (START Triage). MCIM II provides a standard approach to handle mass casualty incidents to include establishing operations groups and participation in a tabletop exercise.

Current EMS certified participants will receive CEU credits for attendance.
